Presenting the Best of Korea

TAN TV distinguishes itself from alternate Korean network by delivering exclusive documentaries, travel & leisure, entertainment, cultural reality shows to our viewers 24 hours a day, 7 days a week. TAN is most sought for by viewers seeking informative beneficial programs providing exclusionary contents no other Korean network features. Our goal is to provide quality programs with ethic, integrity and morals.

Primary Exclusive Programs

CH 2089 DIRECTV

OBS brings in-depth coverage of documentaries and reality programs with exclusive contents. OBS is featured exclusively through TAN.

BadukTV is also featured exclusively through TAN TV, entertaining millions of Baduk fans around the world. BadukTV now has global resources from China's CCTV and Japan's NHK to offer Korean Baduk fans extensive coverage of breath-taking matches all over Asia.

J Golf, a golf channel provided by JTBC, ON AIR 24 hours a day covering the latest and hottest golf news and tournaments is now featured on TAN . Korean golf fans are now excited to watch golf in their mother language.

Fishing Television(FTV)

FTV is Korea's primary fishing channel featured exclusively by TAN. Everything about fishing from professional tournaments to tools and techniques are demonstrated on this channel.

Gayo TV(Korean Music)

Gayo means Korean pop. A music channel of 70's, 80's & 90's Korean folk songs, music stories, music classes and concerts. Gayo TV is most popular among the older generations nostalgic for the home country.

The logo for TAN, consisting of the lowercase letters 'tan' in a bold, blue, sans-serif font.A blue rectangular box containing the text 'CH 2089' in white, followed by 'DIRECTV' in white text on a black background.A stylized dandelion seed head with a long stem and a tail, positioned behind the first few letters of the title.

Strong following for 23 years!

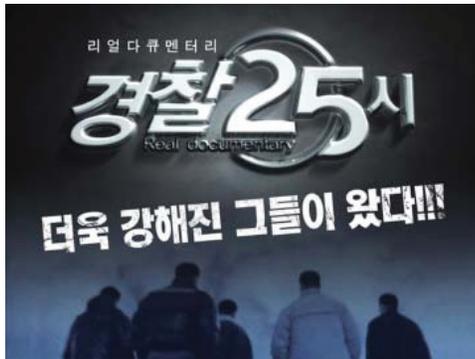

TAN successfully placed itself on top of Korean satellite broadcasting business with over 23 years of experience and history. TAN promises quality and diversity in all of its contents and commits to seek and deliver the best contents exclusively from Korea to our loyal audience.
